EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears bellow. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as proved by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this Examiner's Amendment was given in a telephone interview with Mr. David Chung (Reg. No. 38,409) on August 17, 2004.

In the Claims:

Cancel claim 20.

Reasons for allowance

3. The following is an examiner's statement of reasons for allowance:

Applicant's claimed invention distinguished over the prior art for the following reasons. The claims are allowable over the prior art of record because none of the references, either alone or in combination, discloses or renders obvious the method for providing data files to a remote user over a channel comprising the steps of receiving an indication from a user system as to what compression formats are decodable by said user system and transferring said data file or a compressed version of said data file based on said transfer time for said adjustable threshold defined by the remote user, said compressed version of said data file being in conformity with compression formats decodable by said user system.
